

**SONOPANT DANDEKAR ARTS, V.S. APTE COMMERCE
AND M.H. MEHTA SCIENCE COLLEGE, PALGHAR**

Energy Efficient Appliance in Laboratories

Prepared by
Internal Quality Assurance Cell

**Department of
Biotechnology**

(Geo-tag) Fridge with 3 star Energy Rating at Biotechnology Laboratory

(Geo-tag) Fridge with 4 star Energy Rating at Biotechnology Laboratory

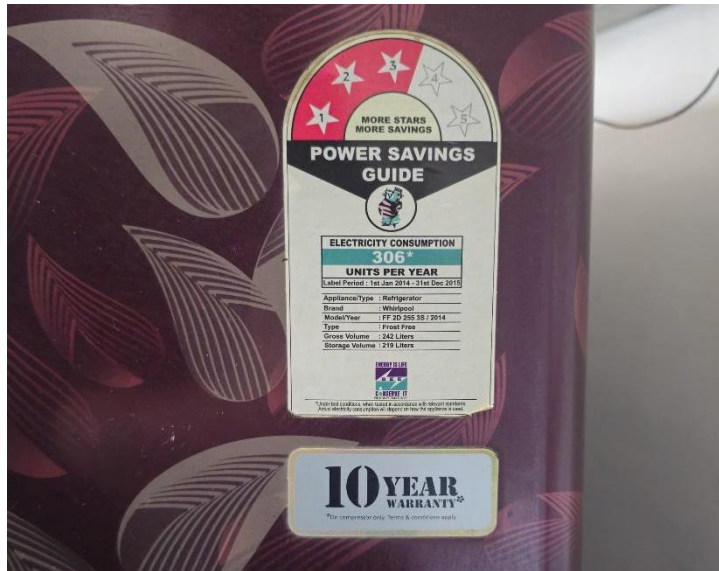

Switch Boards Label with energy saving Instructions like “SWITCH ON AND OFF” at Biotechnology Laboratory

(Geo-Tag)All the Biotechnology Laboratories are equipped with energy-saving LED lights

Department of Botany

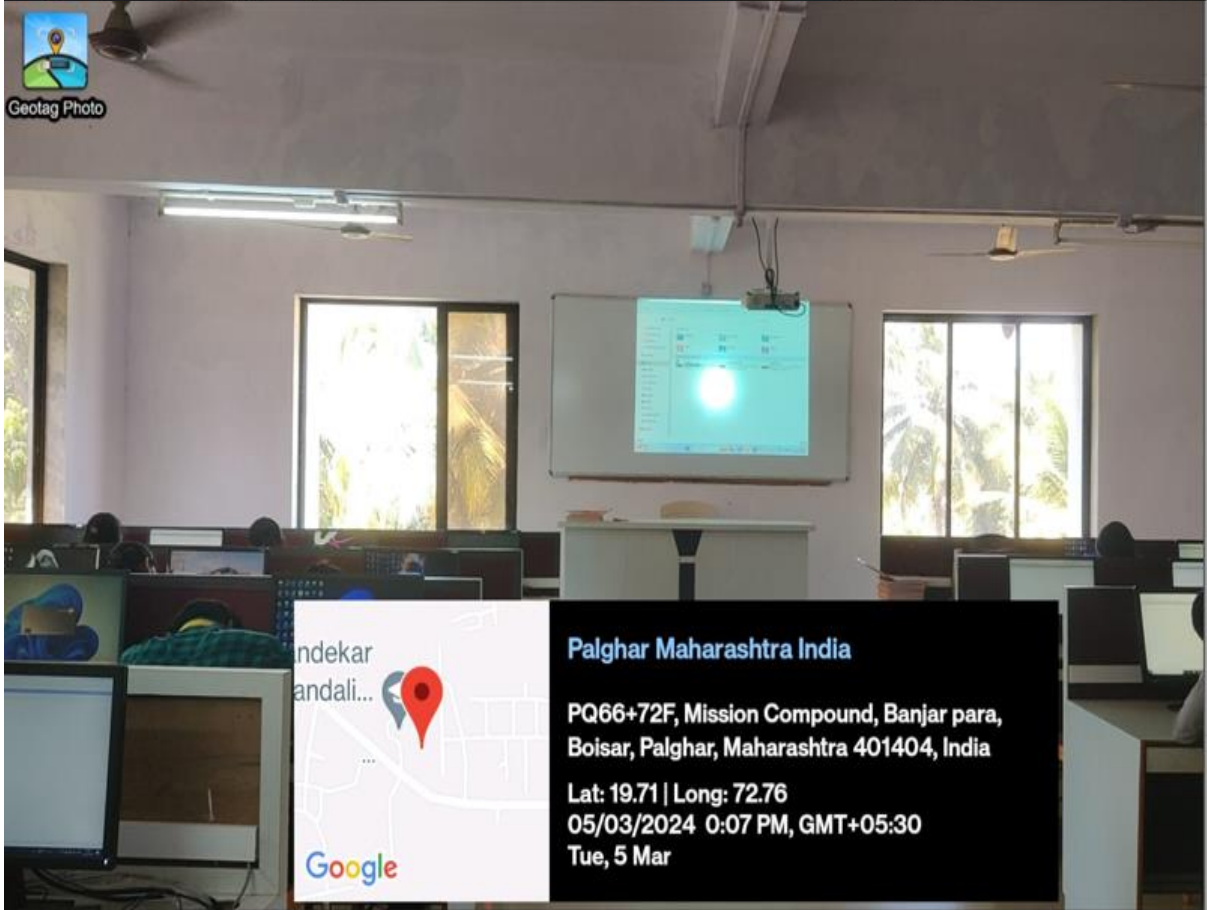

Main Building Botany Department Fridge equipped with energy saving 3 Star Rating

Main Building Botany Department Labs equipped with energy saving led tube lights.

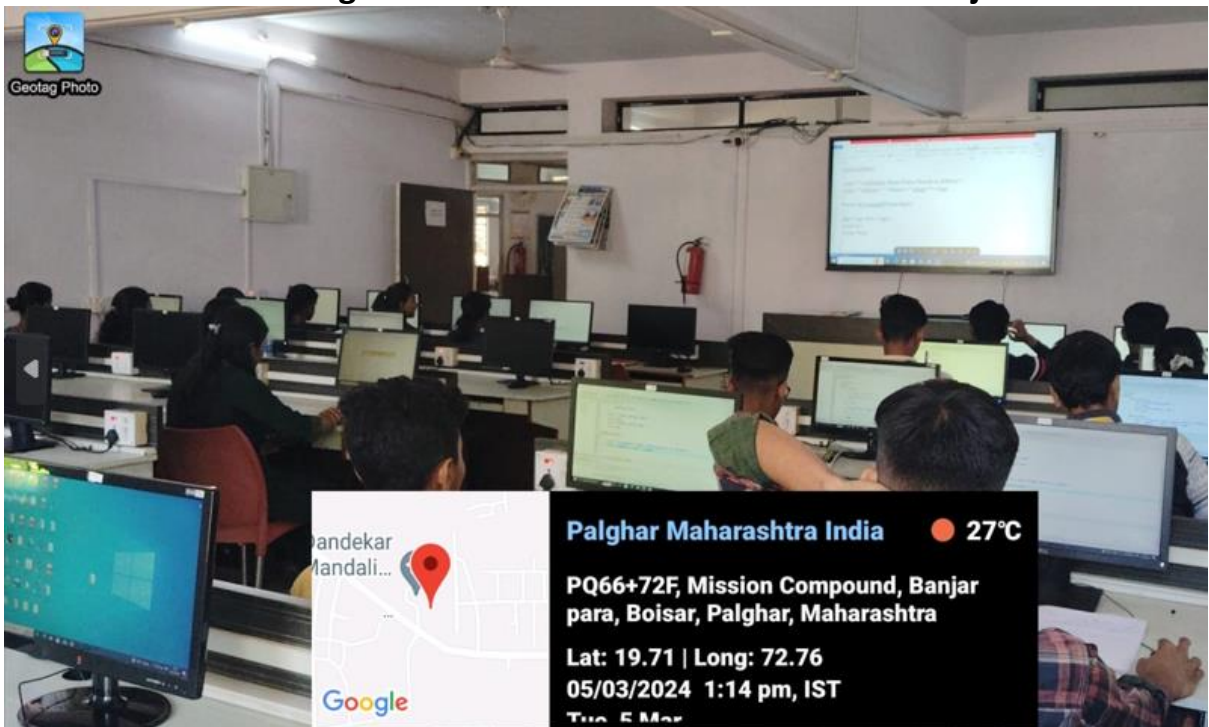

**Department of
Information Technology**

Information Technology Smart Laboratory

BMS Building Second Floor Software 9B LAB with Projector

BMS Building Ground Floor LAB with Smart Board

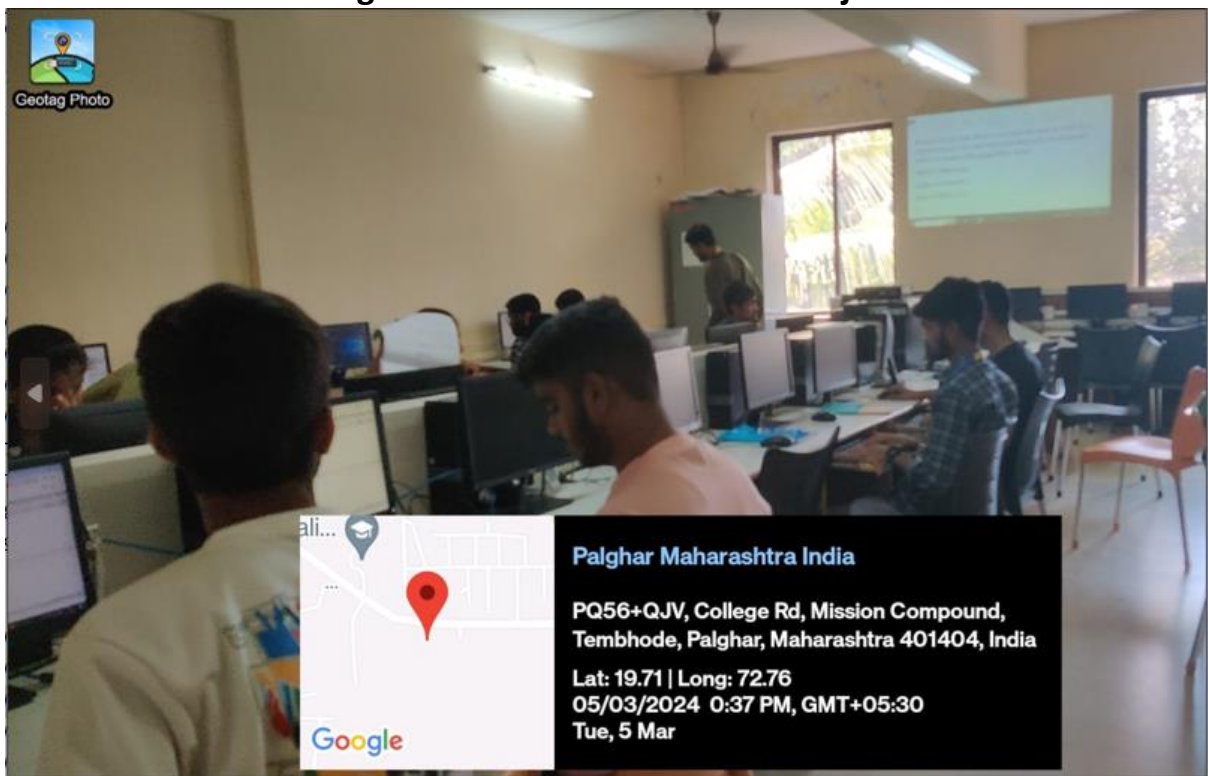

BMS Building Ground Floor LAB

Air Conditioner with 3 Star Energy Rating at BMS Ground Floor Lab

BMS Building Second Floor LAB 9A with Projector Screen

BMS Building Second Floor LAB 9A with Projector Screen

BMS Building Second Floor LAB 9A with Projector

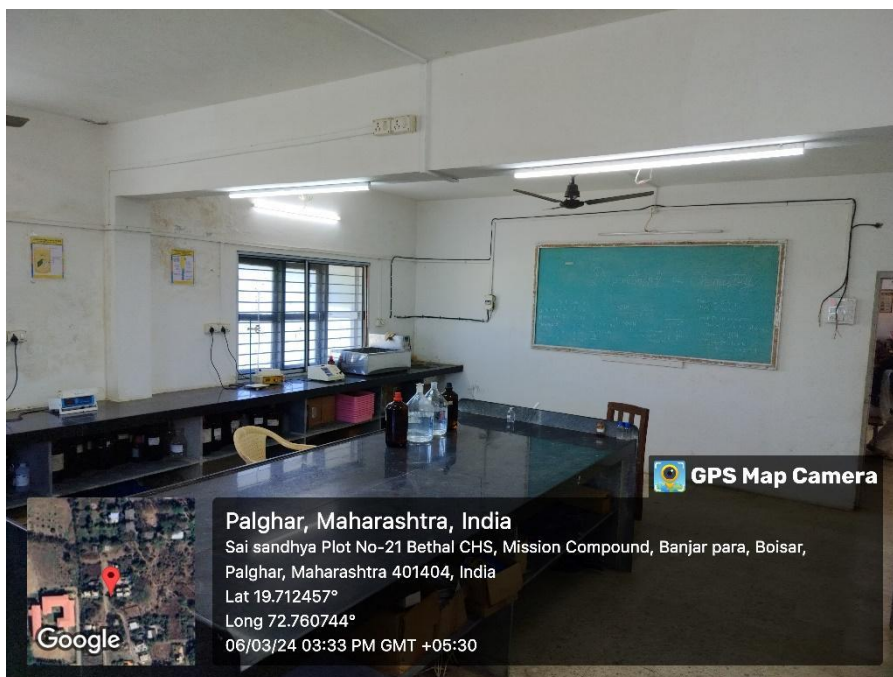

BMS Building Second Floor LAB 9A

Department of Chemistry

Laboratory equipped with LED lights
208, Second Floor Analytical Lab, Chemistry Building

Laboratory equipped with LED lights
207, Second Floor Analytical Lab, Chemistry Building

3 Star Energy Rating AC at 103, First Floor Research Lab

LCD Screen at 101 class room, Chemistry Building
