Activity Report :	2022-2023
-------------------	------------------

Department/Committee :	IQAC in association with Research Cell
------------------------	--

Name of the Activity	Two days Hands on Training on preparation of Minor Research
----------------------	---

Date :	14 th Oct, 2022	Department/Committee :	IQAC in association with Research Cell	Co-Ordinator Name :	Prof. Mahesh Deshmukh
Time :	10.00- 11.30am	Number of Participants total :	64	Number of Participants Male :	35
Venue :	Google meet	Number of Participants Female :	29	Resource Person :	Dr. Minakshi Gurav

Brief Information About The Activity (criterion no.):	3
---	----------

Topic/Subject of the Activity	:	Two days Hands on Training on preparation of Minor Research
Objectives	:	To explore the relationship between two variables with a confined context. To investigate the impact of a specific intervention or program on small sample size.
Methodology	:	The two-day training employed lectures, discussions, peer feedback, role-playing, case studies, and Q&A sessions. These methods ensured participants gained knowledge in research proposal preparation, covering topics from theory to application.
Outcomes	:	They will be able to assess the relationship between two variables, identifying if it's positive, negative or neutral and considering contextual factors that may influence the connection. They will be able to evaluate how intervention influence behavior, knowledge and attitudes in targeted group.
Description in Few Words	:	Dr. Minakshi Gurav's two-day workshop was centered on helping participants create strong research proposals for small-scale initiatives. Research process, topic selection, literature review, methodology, data analysis, ethics, budgeting, proposal writing, peer review, and presenting techniques were among the subjects covered. Peer feedback, practical activities, lectures, and debates were all used in the program to help people learn. Participants had acquired the information and abilities needed to produce research proposals of the highest caliber by the conclusion of the program.

Event Report

Objectives:

The seminar aims to increase participants awareness and understanding of environmental issues and the concept of sustainable development. It seeks to highlight the interconnectedness between the environment, society, and the economy, emphasizing the need for sustainable practices. The seminar intends to provide participants with up-to-date information and research on environmental challenges, such as climate change, biodiversity loss, pollution, and resource depletion. It aims to foster an understanding of the scientific, social, and economic dimensions of environmental issues. Empower them with the knowledge and tools to make informed decisions and adopt sustainable practices. The seminar aims to cultivate participants' critical thinking skills by encouraging them to analyze and evaluate complex environmental issues from multiple perspectives. It seeks to foster an understanding of the inherent trade-offs and challenges associated with sustainable development, enabling participants to think critically and propose innovative solutions.

Learning outcomes:

Participants will gain a deeper understanding of environmental challenges, including climate change, deforestation, pollution, and resource depletion. They will develop knowledge of the causes, impacts, and potential solutions to address these challenges.

Event Report

Name of the Event- Workshop on Construction of Ecofriendly Houses

Date- 17/05/2023

Venue- BMS Seminar Hall, Sonopant Dandekar College, Palghar.

No. of Participants-37

Objectives:

The workshop aims to raise awareness among college students about the concept and importance of constructing eco-friendly houses. It intends to provide participants with a foundational understanding of sustainable construction practices, materials, and design principles. Certifications, sustainable construction methods, and the incorporation of renewable energy technologies. Participants will learn how to integrate eco-friendly features into house design and construction processes.

Learning outcomes:

Participants will develop a comprehensive understanding of the principles and concepts underlying eco-friendly house construction. They will grasp the importance of reducing energy consumption, minimizing environmental impact, and creating healthy living spaces through sustainable construction practices.

Letter of Appreciation

Respected Sir,

Thank you very much for delivering an informative and thought provoking lecture as a Guest Speaker on “**Construction of Eco-friendly Houses**” for the NSS and DLLE students of our college on **May 16, 2023**.

It was a really splendid session which exposed students to the various facades of the subject matter.

Looking forward for your co-operation in future.

Yours faithfully,

Dr. Kiran Save

Sub: Invitation as a Guest Speaker for conducting Online Interdisciplinary Workshop on "Bioinformatics - A Research tool in Drug Designing and its role in Research Methodology" organized by Sonopant Dandekar College, Palghar

Respected Sir,

As per the oral conversation between Dr. Shilpa Gharat, Head, Department of Biotechnology, Assistant Prof. Ishwari Mehta, we are obliged to you for agreeing to conduct a Bioinformatics workshop for our students.

We are pleased to invite you as a resource person for conducting Online Interdisciplinary Workshop on 'Bioinformatics - A Research tool in Drug Designing and its role in Research Methodology', to be organized by Shri Dahyabhai Amritlal Shah Institute of Biotechnology, Sonopant Dandekar College, Palghar from the third or fourth week of January 2023 on Fridays and Saturdays as per the dates convenient to you.

We will be looking forward to your expertise, time and efforts in contributing to this webinar.

Kindly confirm your availability.
Thanking you in anticipation.

Yours sincerely,

Dr. K. J. Save

Sub: Letter of Appreciation

Respected Sir,

On behalf of Sonopant Dandekar College, Palghar, we are grateful to you for conducting Online Practical sessions for Msc Part 2 Sem 4 students on 'Insilico Approach to Drug Designing and its Role in Research Methodology', organized by Shri Dahyabhai Amritlal Shah Institute of Biotechnology, Sonopant Dandekar College, Palghar, from 11th February 2023 to 21st March 2023.

We are very thankful for reaching out to us, giving us your valuable time. We greatly appreciate your expertise and efforts for providing an insight on the Practical approach for Genomics and Proteomics.

Anticipating interactions with you again in near future for further learning

Regards,

Dr. K.J. Save

- Numerous examples of proteins that have different sequence, but similar fold
- Hence, similar binding partners.
- Commonly the molecules binding to ATP/ANP, Estradiol.

DEPARTMENT OF BIOTECHNOLOGY

Event Report

ONLINE WORKSHOP ON 'In Silico Approach to Drug Designing and its Role in Research Methodology'

Date of Workshop: 11 th February 2023 to 21st March 2023

Venue: Zoom Meeting

Objective:

- The objective of the workshop is to highlight various applications in bioinformatics, which play a crucial role in today's biological research.
- Focus on recent development in the field of bioinformatics and Introduction to drug designing software.
- Live demonstration and hands-on practical of DGIdb tool, Multibind software, ProBis software, and molecular docking software.
- Describe advanced bioinformatics programmes such as Drug Gene Interaction Database (DGIdb), Protein Binding Sites (ProBiS), protein structure visualization software RasMol/Jmol and Computational protein-ligand docking using AutoDock.
- Help students to understand various tools used in bioinformatics to study biological data such as genomic data, protein-sequence data and structural data of macromolecules.

Dr. Shilpa M. Gharat
