WOMEN DEVELOPMENT CELL

Objectives of Women's Development Cell:

- To emphasise the value of hygiene and good health.
- To clarify women's place in society.
- To create a multidisciplinary strategy for the development of the whole person.
- To plan seminars and workshops focused on the advancement of women.
- To protect female students and members of the College's teaching and non-teaching staff from sexual harassment and to advance their general well-being.
- To develop the self-confidence of Women.
- To guide about Women's Welfare Laws.

Mission:

- To inspire female students to be economically and self-reliant.
- Raising students' understanding of women's social, legal, and constitutional rights in order to stop gender-based exploitation.
- Educating women about the various forms of violence—sexual, physical, and mental—and giving them the skills and determination to combat them.
- Spreading the word about the need of gender equality.
- Dismantling ingrained prejudice and discrimination against women.

In context:

In order to create a gender-sensitive environment within the university, the University of Mumbai established the "University Women Development Cell (UWDC)" in 2001. The University also ordered the establishment of a "Women Development Cell" at the college level in each of its associated institutions. The

Women Development Cell of Sonopant Dandekar College Palghar was created under the capable leadership of Prof. Mrs. Velapure in accordance with these University directions.

The Cell seeks to establish a gender-sensitive community on campus and in the community at large. It includes both teaching faculty and non-teaching professors from the college.

For the advancement of women and to educate society about the value of gender equality and gender sensitivity, it has organised a variety of academic, cultural, and social activities.

The Department of WDC is located on the ground floor of the main building on the college premises. WDC should have its own notice board where it may put posters about gender equality and women's empowerment.

The Guest Speaker – Adv. Sunanda Belkar

Day and Date – Tuesday, 13th December 2022

Time – 10.30 am

Place – Ganesh Nilkanth Dandekar Seminar Hall, BMS Building

Organised By Women Development Cell

Firstly, resource person Sunanda Belkar has introduced us Constitution in brief and various laws about the women in Constitution. She also explained that We must keep fighting for women's constitutional rights to be fully realised. We can build a society that recognises and respects the rights of all people, regardless of their gender, by boosting education, increasing awareness, and having fruitful conversations. Together, we can strive to ensure that women's constitutional rights are properly preserved and safeguarded in a more equal and inclusive future.

This guest lecture was supported and guided by Dr. Kiran J. Save (Principal), advised by Prof. Mahesh Deshmukh (IQAC Co-Ordinator & Vice Principal) and Dr. Tanaji Pol (Vice-Principal). The lecture was a great success with 85 participants.

Report of Guest Lecture on “Lecture on Gender and Work”

The Guest Speaker – Mrs. Supriya Urade

Day and Date – Friday, 27th January 2023

Time – 10.30 am

Place – Ganesh Nilkanth Dandekar Seminar Hall, BMS Building

Organised By Women Development Cell

Firstly, resource person Smt Supriya Urade has mentioned the gender and work subject, which is crucial and current. She said that it is not just an issue of social justice but also a pressing economic need to achieve gender equality in the workplace. We can establish workplaces that appreciate and empower people of all genders by embracing diversity, dismantling obstacles, and questioning cultural standards.

This guest lecture was supported and guided by Dr. Kiran J. Save (Principal), advised by prof. Mahesh Deshmukh (IQAC Co-Ordinator & Vice Principal) and Dr. Tanaji Pol (Vice-Principal). The lecture was a great success with 98 participants.

Report on International women's Day on 8th March 2023

Women Development Cell and IQAC Cell

Objectives:

- To recognise the commitment and effort put forward by female faculty members in both teaching and non-teaching positions.
- To highlight the important contributions made by female faculty members to the college community.
- To encourage inclusivity and gender equality in the academic setting.
- To give female faculty members a forum on which to share their stories and motivate others.
- To promote networking and cooperation among female professors.

In Context:

During the College Teaching and Non-Teaching Women's Faculty Honour Ceremony organized by the Women's Development Cell (WDC) and Internal Quality Assurance Cell (IQAC), five senior teaching and non-teaching women representatives were honoured on the dais. These representatives were given the opportunity to share their views and experiences.

Additionally, the Vice Principal and IQAC Coordinator Prof. Mahesh Deshmukh in their address emphasized the importance of gender equality and recognized the indispensable role played by women in shaping society. They highlighted that every man owes their existence to a woman, emphasizing the need to respect and empower women in all spheres of life.

Vice Principal Dr Tanaji Pol also presented their perspectives on gender equality and acknowledged the significance of International Women's Day in their introductory speeches. Furthermore, all the women staff members were honoured and appreciated during this program.

Keynote talk: A prominent Principal Dr. Kiran Save highlighted the difficulties faced by women in higher education and the value of providing a supportive

atmosphere for their professional development and acknowledged the occasion of International Women's Day, which is celebrated worldwide to honour the achievements of women and promote gender equality in his keynote talk. All of the female staff members received thanks from the principal for their commitment and diligence.

Special Feature of the programme:

The IQAC Coordinator Prof Mahesh Deshmukh created a banner with images of every female employee and the words "You are, so we are." This is a fantastic way to recognise and celebrate the achievements made by women in the campus community.

Outcome:

The College Teaching and Non-Teaching Women's Faculty Honour Ceremony provided a platform for senior women representatives to share their views, while the Vice Principal and Principal emphasized the significance of gender equality. The event honoured and celebrated all the women staff members, recognizing their invaluable contributions to the college.

Online Quiz Competition on Women and Empowerment

Objective:

Competition on women's empowerment online quiz is designed to test students' knowledge of several topics related to women's empowerment, including accomplishments, difficulties, and the steps taken towards gender equality.

In Context:

The online quiz competition received an overwhelming response, with a total of 95 students participating in the online quiz competition on women's empowerment, which was met with a strong reaction. The purpose of the quiz was to assess the participants' understanding of many facets of women's empowerment, accomplishments, difficulties, and advancements towards gender equality.

Learning Outcomes:

The student's active engagement and passion are heartening to see because it shows that they care about advancing gender equality and empowering women in a variety of sectors of life. Students that participate in educational activities like this quiz help to spread awareness, question cultural conventions, and promote a future that is more inclusive and equal.

Essay Competition on the Role of Women in Agriculture

Objectives :

The aim and goal of the online essay competition on women's roles in contemporary India were to inspire students to research and share their opinions on the tremendous contributions, difficulties, and changing responsibilities of women and Agriculture.

The primary objective of the competition was to encourage students to delve into the multifaceted aspects of women's empowerment.

In Context

The participants were five subjects and were given the freedom to select the topic from the given subject they wanted for their essays as long as they stayed within the general theme of "Women and Agriculture." In addition to being a question of gender equality, women's empowerment in agriculture is also a key element in accomplishing sustainable development goals. For the purpose of creating inclusive and resilient food systems, guaranteeing food security, lowering poverty, and advancing rural development, it is crucial to acknowledge and value the contributions of women in agriculture.

Outcomes:

The online essay competition on women empowerment successfully generated meaningful engagement and discussion among students from different faculties. With 12 students from various faculties participating, the competition fostered a diverse range of perspectives and contributed to raising awareness about the importance of women's empowerment in society.

Today in this world women are not behind in any field. Whether it is rural or urban, women are working ahead in all areas. In rural areas, women are contributing in the agriculture sector. She is working shoulder to shoulder with men in the agriculture sector. Along with studies, she does all the work. Women work very hard. There are many difficulties in the life of a woman.

She always fights. She never takes that much rest. What do you have to do to do farming? She gets complete information about the crops & grows grains in agriculture. Not only farming but also do all the household chores. They work very hard. Today, women in rural areas are contributing in the agriculture sector.

They are getting all the materials & all the information required in the agriculture sector & playing their role in the agriculture sector. In urban areas, the environment is polluted by factories, in rural areas, the environment is suitable for agriculture. To do agriculture the environment should be pure & this pure ~~air~~, air, water & soil is present in the village & due to factories & with contaminated water, the environment is getting polluted.

People work very hard not only in India but in the whole world. She soils day & night to do farming, works hard, teaches & also gives education. We should learn a lot from the life of a woman. There is a slight difference in the work of doing agriculture in rural & urban parts. The environment is pure in the rural part. & women work in the factories in the urban departments. The number of factories in urban areas is very high, who work on computers in an educated manner, there is a risk of crop failure due to bad environment for farming, due to which the crop is wasted. This thing has to be kept in mind. Women are working hard in the agriculture sector. Because of them, today we are getting food grains. We should respect them & as long as we live in this country, women & men contributing to the agriculture sector will work shoulder to shoulder & enhance the glory of our country's agriculture sector. Long live India, we should respect the female caste a lot.

They suffer a lot. They work hard day & night. We should realize this - that... they work hard for us only & not only in the agriculture sector, but in all areas of India women... are working shoulder to shoulder with men. That's why we should respect women. To make them work hard... they should be encouraged. Long live India. Jai Hind.

"She is a woman"....

"How do I tell the story of a woman?
Soft like a flower & pure like a mind.
Only a woman has created this earth.
That's why it is called Mother Earth
Suffers, ... Suffers... , Hides her pain.....
Never lets it appear."

"Because She is a Woman".....

"Suffers all the pain, when they raise their voices,
their voices are suppressed, still she does not
give up".....
Because She is a woman....

"She gives birth to children after suffering
millions of pains....., But in today's Kalyug
no one understands, their pain".....
Yes, " She is a woman.

"Saying, Save daughter educate daughter,
doesn't do anything here.....
Every moment there... is oppression, here.....
Because She is a Woman".

"To win over a woman is as little as writing
She is the holy daughter of this holy ~~land~~ land.
Because every pain she is a woman, Takes every form.
She comes in the form of daughter, Sister & Mother"
Yes " She is a woman....

"Today it is moving forward Shoulder to Shoulder in all fields. The agriculture industry is progressing in all areas. Stubborn & handworking, fighting & Working hard for her Children Because " She is a woman".

The Creation & birth of this earth is the gift of a woman, that's way It is called Mother India. No One else Can bear the Pain that a woman has right on this earth. Those Who take birth as a woman on this earth are great.

It is very painful. Today in the world Women are ahead in every field. Walking Shoulder to Shoulder with men. Today there are 3,904,727,342 Women in the Whole World. & There are 1020 females per 1000 males in the Country of India.

Today women are ahead not only in India but all over the world. The role of women is getting better in education & all industries & offices. Gender equality is very important men & women are working so together in all fields. In earlier times there was a lot of oppression on women. She was tortured. Injustice used to happen but the wisest of the wisemen was born on this earth, who proved that there will be no oppression on any human being on this earth. Will not tolerate oppression. He proved it, The name of that great person is Dr. Babasaheb Ambedkar, he raised his voice against injustice not only in India but all over the world & framed rules & regulations on all injustice. (1971, 1961, 1965, "452, 323, 354, 506".... etc)

There has been a lot of oppression on women since the beginning, that is why all these current were created.

Free the woman from bondage. They also have every right to live their life independently. Today all the facilities are being made available to woman in the world. Today Men & Women ~~are~~ are one, Both are being placed on the Scales of Equality & rightly so.... It should happen like this only.

Women are being given all the priority in the Country of India. Save daughter, educate daughter. But is there really today? Is it really safe? Is India really progressing in all fields in the Country? Are women really being given equality? May be this is not happening. Probably not, Today, don't know how many atrocities happen every one minute in the Country of India.

So many women are tortured, raped, Suicide case are registered, but why does this happen? There is a lot of oppression on women, don't know how many atrocities are committed on women in India every moment.

According to the Census of 2020 & 2021 in the Country of India, the number of suicides of men is 1,18,979.

And the number of suicides of women is 45,026.

But why does this happen? There is a lot of oppression on women. Don't know how many women are tortured daily in the Country of India. Wrongful misdeeds happen on them, wrong thing happen, but we will definitely remove this atrocity. To gether we will destroy this tyranny, these oppression from the root. Even today in many societies Caste discrimination is done among women in many families. If a daughter is born in the house of any family, then she is called Cursed. Bad people kill her, some sinner breaks in into pieces. They throw her somewhere in the garbage, but why does this happen in India Today?

There are many such families in the Country of India where there are some misdemeanors, evil sinners of that family who do such wrong things... , We will, not spare such people, we will punish them, such people have no right to live in the societies, together we will stop this wrongdoing.

Today, not only in India, but in the whole world, women are ahead in all fields, there is equality between men & women, today, women are giving competition to men in all fields like agriculture, factories, dispensaries, soldiers, railways, etc... , Rather, they are working shoulder to shoulder with men in all fields. Today she is rising her voice in all fields & is also fighting for her home, raising voice against injustice against crime.

There are some families among the people of some society in India who do not have their own houses, she lives like a nomad from here to there. They go & live in different regions. Men do not have so much trouble, but women do have trouble, Government of India provides residential employment facilities, for such needy families. The Government of India is always aware of women. Today not only in the cities, but also in the village all the women are moving forward. Even in the village, new, new industries are starting all the works, today in the village also school, hand tools, agriculture, etc. are contributing in all the fields.

We will start with ourselves & will not allow atrocities on any man or woman in this Country of India, will not tolerate oppression. Every woman has the right to live, Every man has the right to take possession. have the right to decide independently. If there is oppression, Then every woman will definitely take the form of Rani of Jhansi & Rani Lakshmi Bai, Savitribai Phule & raise her voice against injustice.

There should be equality between men & women not only in India but all over the world. and for this equality every single woman will raise voice for her own development for the development of her Country & will always fight for her right to relationship for her development. And there should be equality of men & women in this whole world. Both the Scales of men & Women should be equal. Jai Hind, Jai Maharashtra.

ROLE OF WOMAN IN MODERN INDIA

America is yet to get a woman President, Indian women cricketers still don't get the same attention, adulation, and love as their male counterparts, and in the Middle East, women can now drive cars although that doesn't necessarily transform into empowerment or their ability to make choices. Women in most parts of the world can't make their own choices, and wear, speak, and do what they want. Women and men don't get equal pay and female numbers dwindle at the top rung of leadership at most companies. Women entrepreneurs have more trouble getting funding for their ventures and women in tech are still a minority.

The list of challenges is long, but the aim is not to glorify the challenges but rather look at how at every step, women have fought back to make their voices heard and stand up for their rights and the rights of other women. With the International Women's Day around the corner, let's rewind and look at some great women leaders, role models, activists, artists, and entrepreneurs and what we can learn from them.

"If one man can destroy everything, why can't one girl change it?" – Malala Yousafzai, I Am Malala: The Girl Who Stood Up for Education and Was Shot by the Taliban

"As women, we must stand up for ourselves. We must stand up for each other. We must stand up for justice for all." – Michelle Obama, Former First Lady, USA

"A woman with a voice is by definition a strong woman. But the search to find that voice can be remarkably difficult." – Melinda Gates, Philanthropist

"The power to question is the basis of all human progress." – Indira Gandhi, First Female Prime Minister of India

"There is a special place in hell for women who don't help other women." – Madeleine K. Albright, First woman to become the United States Secretary of State

"We do not need magic to transform our world. We carry all the power we need inside ourselves already. We have the power to imagine better." – J. K. Rowling, Author of the popular Harry Potter series

"An important attribute of success is to be yourself. Never hide what makes you, you." – Indra Nooyi, CEO, PepsiCo

“If your dreams do not scare you, they are not big enough.” – Ellen Johnson Sirleaf, President of Liberia, Nobel Peace Prize winner

“If you want something said, ask a man: if you want something done, ask a woman.” – Margaret Thatcher, Prime Minister of United Kingdom (1979-1990) “No matter where you’re from, your dreams are valid.” – Lupita Nyong’o, Kenyan-Mexican Oscar-winning Actress

“I think it’s important not to get carried away when you are successful – and not to let yourself feel gloomy when times are bad.” – Zhou Qunfei, Chinese Entrepreneur and the richest woman in China “I don’t go by the rulebook; I lead from the heart, not the head.” – Princess Diana

Women play a great role in the growth and development of the society and making it an advanced and modern society. There is a famous saying by the Brigham Young that, “You educate a man; you educate a man. You educate a woman; you educate a generation.” Educating and giving power to the women is of great importance which needs to be followed in the society to bring women empowerment and development of society. Because it is true that, if a man is getting educated and empowered, only he can be benefitted however if a woman is getting educated and empowered, whole family and society can be benefitted.

Women are not things which can be neglected because of their less power and authority instead they should be empowered and promoted to get higher education. Women are the half population of the world mean half power of the world. If women of any country are not empowered mean that country is lack of half power. By nature, women play their all the roles with great responsibilities and have capability to make a healthy family, solid society and powerful country. Lots of efforts have been done however still women are backward and limited to home activities. We need to understand that if an uneducated woman may handle home properly then why not a well-educated woman can lead the whole country like men.

Without woman nothing is possible for men, they are basic unit of the society, they make a family, family make a home, home make a society and ultimately societies make a country. So the contribution of a woman is everywhere from taking birth and giving birth to a child to the care for whole life and other areas. All the roles and responsibilities of the women can never be neglected by the societies. Without education and women empowerment no development is possible in the family, society and country. Women know well how to talk, how to behave, how to deal with people of different classes, etc. She knows to handle all the situations because she knows well the basic fundamentals of a good society and play her roles politely as a main contributor in building a strong society.

Earlier, when the lives of women were worse than slaves, women were considered as animals and used as sex toys. It was a sin for women to give birth to a girl baby, either they were killed, buried alive or thrown away by the male head of the family. However, the condition has become advance now in many means but not completely.

स्त्री पुरुष समानता

‘स्त्री व पुरुष ही संसाररथाची दोन चाके आहेत.’ असे सोब्या कौतुकाने म्हटले जाते. पण रथू नेह चालायला हवा तर ही चाके शारखी ह्यात, त्यांत कोणताही लक्षण मोठेपणा असला कामा नये. संसारात स्त्री व पुरुष यांना समान हक्क, समान ज्ञान असतो कारण पार पूर्वीपासून आपल्याकडे स्त्री घर सांभाळत असून आणि संपत्ती मिळवण्याचे काम पुरुष करीत असून. संसारगाडी चालवण्यासाठीच केवेली ही कामाची विभागणी होती. पण यातूनच नकळत कुभवगारा पुरुष प्रधान आणि अन्न शिजवणारी स्त्री ही गौण मानली जाऊ लागली.

‘चूल मूल’ सांभाळणाऱ्या स्त्रीला काय अवकल असते. तिला काय कळतयं. हा विचारात घेऊन स्त्रीला गुलाम जनवण्याच्या सैनोभूमिकेतून पुढे आला. मग स्त्री झाली. लक्षा खाणारी पांथाची दासी।

आज हे चित्र बदलत आहे. स्त्रीने आपली कार्यक्षमता सिद्ध केली आहे. बाहेरतील स्त्री कचेरीतील बौद्धिक कामे लालचा करते. मगदी प्रमुख अधिकारपदेही सांभाळते. विद्यालयांत अध्यापनाचे कार्य करते.

तिने वैद्यकीय क्षेत्राबरोबरच स्थापत्या क्षेत्रातही नाव लौकिक मिळवला आहे. आजच्या युगातील

‘माहिती आणि तंत्रज्ञान’ या क्षेत्रातही ही अग्रेसर आहे. ती भांडारगाडी, आगगाडी, विमान चालवते.

अंतःशब्दात शोध घेते आणि समुद्राच्या तळाशीही संसोधनासाठी जाते. कोणतेही क्षेत्रातला असाध्य नाही.

खेड्यातही स्त्रिया आज पुरुषांच्या बरोबरीने शेतात शबतात; कळ्याची कामे करतात; गुरे सांभाळणे; कुक्कुटपालन अशी कामे करतात. सरपंच, उपसरपंच अशी पदे सांभाळतात आणि शाळांचे प्रश्न सिद्धीने सोडवतात. मग आता स्त्री व पुरुष यांत भेदभाव

करणे योग्य आहे का ?

दुर्दैवाची गोळ अशी की, अजूनही असा पक्ष-
पात केला जातो. आजची स्त्री घरातील पत्नी, माता व
सून या भूमिकांतील गृहिणीची जबाबदारी पार पाड-
तेच; शिवाय बाहेरची कामेही करते. मुलांच्या अभ्यास,
बँकादींची संबंधित व्यवहार, आजारपण या जबाबदा-
र्याही ती पार पाडते. नाटीपण काही घरांतून
स्त्रियांच्या मुताला किंमत दिली जात नाही.

काही खेड्यांत तालुक्याच्या विकाणी स्त्री
सरपंच किंवा जिल्हा परिषदेची अध्यक्ष झाली, तरी
काही संडळी अजूनही तिला त्रास देतात; पण
आजची सक्षम स्त्री त्यांना पुरूषां उरत आहे. आज
ग्रामीण स्त्रिया आपले व्यतंगद स्थापन करत
स्वावलंबी होत आहेत. तेव्हा आता स्त्रीला कमी
लेखणे योग्य नाही. आईवडील हे दोघीही मुलांच्या
दृष्टीने महत्त्वाचे आहेत. हे ओळखून आता विद्या-
शुर्वक पावले टाकली जात आहेत. आता मुलांच्या
सर्टिफिकेट्स, पदवी प्रमाणपत्रे यांत वडिलांच्या
नावबरोबर आईचेही नाव द्यापणे जाते. पुरूषां
वशावरून घरकुल हे घरातील स्त्रियां नावावर
केले जाते. काळजाप्रमाणे बदलणे आवश्यक आहे.
हे आता आपल्या समाजाने जाणले आहे.

सतत कल के लिए लैंगिक समानता

‘एक स्थाई और समान कल के लिए समाज में लैंगिक समानता’ है। इसका सीधा-सा मतलब यह होता है, कि अपने कल को बेहतर बनाने के लिए और स्थाई करने के लिए समाज में लैंगिक समानता यानी कि महिलाओं और पुरुषों के बीच समानता होनी जरूरी है। क्योंकि एक समाज को बेहतर बनाने के लिए जितने जरूरी पुरुष होते हैं उतने ही जरूरी महिलाएँ भी होती हैं। इसीलिए अंतरराष्ट्रीय महिला दिवस के दिन इस थीम को रख कर यह साबित करना है, कि महिला और पुरुष दोनों को एक समान अधिकार देकर ही अपने कल को बेहतर बनाया जा सकता है।

महिलाओं और लड़कियों के कल के भविष्य को सुधारने के लिए उनका आज का भविष्य सुधारना आवश्यक है। क्यों ऐसा होता है, कि जहाँ आज पुरुष खड़े हैं, वहाँ कभी महिलाएँ अपना अस्तित्व नहीं देखने और सोचने की आजादी तक नहीं थी। क्यों वो हमेशा चार दिवारीयों में ही अपना भविष्य देखती थी। आज समय बदला है, जो महिलाएँ कल तक अपना भविष्य चार दिवारीयों के अंदर ढूँढती थी। आज के समय में वो महिलाएँ उन्हीं चार दिवारीयों से निकलकर पुरुषों के साथ समान आज खड़ी हैं। आज की महिलाएँ क्या पुरुषों से कम हैं। आज की महिलाएँ अपने कल के भविष्य में अपनी बनाने के लिए आज वत पुरुषों के साथ-साथ समान स्तर पर अपनी पहचान बना रही हैं।

समाज उसे शक्ति का स्वरूप मानती है। लेकिन उस शक्ति को क्यों नहीं पढ़ने का और काम करने का अधिकार मिल पाता है। क्यों कुछ लोग आज के समय में अपनी सोच को पुराने समय के तरह रखना चाहते हैं। क्यों पुरुष की सोच ऐसी

होती है, कि जो काम वह कर सकते हैं। वह काम एक औरत कर नहीं सकती है। समाज क्या आज भी वही सोच लेकर भविष्य में उन महिलाओं को पुरुष जैसा समान अधिकार देने में उरता है। जिस चुनौती का सामना एक महिला करती है। क्या वह कभी एक पुरुष कर पाता है। जैसे अपने ही परिवार से अपनी पहचान बनाने के लिए लड़ना और पहचान बना भी लिए तो घर और काम दोनों की जिम्मेदारियों में एक महिला ही क्यों अपना योगदान दे क्या एक पुरुष अपना योगदान समान रूप से घर की जिम्मेदारी और अपने काम में दे नहीं सकता है।

अक्सर समाज कहता तो है कि स्त्री-पुरुष को समान अधिकार प्राप्त है। लेकिन आज भी कहीं न कहीं उन्हें वो अधिकार अपने घर में नहीं मिल पाता है। महिलाओं के कल के भविष्य को सुधारने के लिए उन्हें आज के भविष्य में उन्हें वो एक और वो अधिकार मिलना जरूरी है। कि जहाँ वो लैंगिक समानता सिर्फ पुरुषों के लिए नहीं बल्कि महिलाओं के लिए समान अधिकार है। आज के समय में महिलाएँ घर के उन्हीं चार दिवारियों को पिछे छोड़ कर अपने कल के भविष्य में अपनी पहचान बनाने के लिए संघर्ष कर रही हैं।

लैंगिक संतुलन और समानता केवल महिलाओं के अधिकारों के बारे में नहीं है, यह मानवाधिकारों के बारे में है। हममें से प्रत्येक को चाहे वह किसी भी लिंग का हो, महिलाओं और लड़कियों की सक्रिय भागीदारी के साथ एक स्थायी भविष्य के लिए समावेशी मानसिकता और होस कारवाई की वकालत करनी चाहिए। इसलिए कल को सुधारने के लिए उनके आज की वर्तमान स्थिति को सुधारने की आवश्यकता है। समान अधिकार और समान सभी का एक होता है। यह हर मानवाधिकारों का एक है।

शाश्वत विकासासाठी स्त्री पुरुष समानता

वैदिक काळापासून 'स्त्री' ला शक्ती - महा-शक्ती असे म्हटले जाते. त्रिमूर्ती म्हणजे ब्रह्मा, विष्णू, महेश यांच्या पत्नी सरस्वती, लक्ष्मी, पार्वती या आहेत. जगाचे निर्माणकर्ता, रक्षणकर्ता अशा या त्रिमूर्तींमधील कधीना कधी स्वतःच्या पत्नींची गरज लागली आहे. राक्षसांच्या वध करण्यासाठी किंवा इतर करणांसाठी त्यांनी स्वतःच्या पत्नींची मदत घेतली आहे. यावरून आपल्याला कळते कि स्त्री व पुरुष या दोघांनाही एकमेकांची गरज काहीना काही कारणांसाठी लागते. स्वतःचा व जगाचा विकास, सुखसमृद्धीसाठी पुरुष व स्त्री या दोघांनाही एकमेकांची गरज लागते. यामुळेच समतोल बनून राहतो.

समाजात वावरण्याचे पुरुषांसमान हक्क स्त्रीलाही दिले आहेत. स्त्री - पुरुष समानता म्हणजे काही स्पर्धात्मक बरोवरी नाही. कौटुंबिक, आर्थिक, सामाजिक निर्णय जे आत्ता पर्यंत पुरुष घेत होते ते सर्व निर्णयामध्ये स्त्रीचा सहभाग असणे. पुरुषांसारखे कपडे घालणे, हार, सिगारेट पिणे म्हणजे समानता येत नाही.

पुरुषी वर्चस्व कमी करण्यासाठी आपली मुल्ये, संस्कार मुलांमध्ये रुजूविणे गरजेचे आहे. 'पेराल ते उगवेल' या प्रमाणे यांगले संस्कार मुलांना दिले पाहिजे. विविध उपक्रम, स्पर्धा, नाटके इत्यादी माध्यमातून लोकशाही मूल्ये स्वातंत्र्य, समता, बंधुभाव मुलांच्या मनावर

बिंबविले पाहिजे.

जसे ज्योतिबा फुले यांनी स्वतःच्या पत्नी सावित्रीबाई फुले यांना शिकवले. यामुळे त्या पहिल्या स्त्री शिक्षका बनल्या. दोघांनीही स्थितींना शिक्षणाचा हक्क मिळवण्यासाठी अथक प्रयत्न केले. यामुळेच शिक्षणाच्या व इतर क्षेत्रात स्थितींचा विकास होऊ शकला. पुरुषांसोबत स्थितीही उत्तम प्रतीचे शिक्षण शालेत जाऊन घेऊ शकल्या. यामुळे स्त्री व पुरुषांना समान हक्क मिळू शकले.

घर चालवण्यासाठी स्त्री व पुरुष या दोघांनीही मेहनत घेतली पाहिजे. दोघांना येणारा ताण शांतपणे बसून, चर्चा करून सोडविले पाहिजे. एकमेकांना वेळ देणे, स्त्री घरात नसताना घरातील काम पुरुषाने सांभाळणे अशा छोट्यामोठ्या गोष्टी केल्याने दोघांचाही आंतरीक व बाह्य विकास होऊ शकतो.

डॉ. बाबासाहेब आंबेडकर यांनी स्थितींच्या शाश्वत विकासासाठी हिंदू कोडबिल मध्ये स्थितींना अनेक हक्क दिले आहेत. यामुळे पुरुषांसमान स्थितीही निवडणूक लढू शकतात. विधवा विवाह, पोटगी, हुंडाबंदी अशा कायद्यांमुळे स्थितींना त्यांचे हक्क मिळाले.

आता असे पाहण्यात येते कि, स्थिती त्यांना दिलेल्या हक्कांचा पुरेपूर वापर करत आहेत. उच्च शिक्षण घेताना पुरुषांपेक्षा स्थितींची संख्या जास्त असते. आता स्थिती पुरुषांपेक्षाही पुढे जाऊन स्वतःचे व आईवडिलांचे नाव उच्चारून नेत आहेत. काही क्षेत्रात पुरुष काही कारणाने स्थितींच्या मागे पडत आहे.

पुरुष स्त्रियांचे शोषण करतात अशा वातम्या तर सहज ऐकायला मिळतात. पण पुरुषांचे शोषण स्त्रिया करतात अशा घटना खूप कमी लोकांपर्यंत पोहचतात. पुरुषांचे हात स्त्रिया करतात हे ऐकून पुरुषांचे हसू केले जाते. यामुळे पुरुष शांत बसतात. भारतात आदर्श स्त्री व आदर्श पुरुष ह्यांच्याविषयीच्या संकल्पना परस्परांच्या विरुद्ध आहेत. आदर्श पुरुषाकडे नेतृत्व, स्वतंत्र बाणा, आत्मविश्वास, ठामपणा, कठोर हृदय, बलशाली असे गुण असते पाहिजे; तर आदर्श स्त्रीमध्ये संवेदनशील, नाजूकपणा, सुंदर, आशी-धारकपणा व प्रथा - परंपरा सांभाळण्याची इच्छा असली पाहिजे. पण या समाजाने बनविलेल्या स्त्री - पुरुषांच्या गुणांच्या यादीच्या पुढे विचार करायला हवे. 'माणुसकी' हा सर्वोत्तम गुण आहे जो प्रत्येकामध्ये असायला हवा. स्त्रीपुरुषांने एकमेकांना समजून घेणे, एकमेकांना मदत करणे, पर्यावरणाची देखभाल करणे, एकमेकांना आदर - सन्मान देणे, नेहमी आनंदित राहणे, आलेल्या अडचणीचा एकत्रित येऊन निराकारण करणे यामुळेच स्त्रीपुरुषांमध्ये समानता येवू शकते व त्यांचा शाश्वत विकास होऊ शकतो.

Topic- Role of Women in Rural Development:

There are many rural women who work from daybreak until sundown and often beyond. They may run a small business or cultivate a field or both to support her family. Long hours are spent collecting water and fuel, and preparing food. They see to the raising of children. They tend stock.

Without rural women and girls, rural communities would not function. Yet women and girls are among the people most likely to be poor, to lack access to assets, education, health care and other essential services, and to be hit hardest by climate change. On almost every measure of development rural women, because of gender inequalities and discrimination, fare worse than rural men.

The world has committed to upholding the rights of all women and girls. Fulfilling this commitment is particularly urgent in rural areas. Rural women and their organisations are on the move to claim their rights and improve their livelihoods and well-being. They are setting up successful businesses and acquiring new skills, pursuing their legal entitlements and running for office, using innovation, agricultural methods and taking advantage of new technologies.

"Women's rights are human rights. But in these troubled times, as our world becomes more unpredictable and chaotic, the rights of women and girls are being reduced, restricted and reversed. Empowering women and girls is the only way to protect their rights and make sure they can realize their full potential."

Around the world, the United Nations system stands behind the realization of the rights of rural women, in principle and practice. Upholding these rights is essential to international commitment such as the right of Convention on the Elimination of the All Forms of Discrimination against Women, and the Beijing Declaration and Platform for Action. Fulfilling the promise of the landmark 2030 Agenda for Sustainable Development, where the goal include gender equality as well as ending poverty and hunger, achieving decent work for all and combatting climate change, largely depends on empowering rural women and girls.

The "Bay from Women" platform in Rwanda was launched in 2016 by UN Women and the World Food Programme, including through a contribution from the Governments of China and Finland. Over 3,000 men and

women farmers from 12 maize farming cooperative tap into a mobile platform that lets them accurately map their plots of land and generate a yield forecast - something that was previously very difficult to do. Among other benefits, they can sign contracts with maize buyers, forging stronger links to markets. The platform also sends regular text message on new business opportunities, agricultural practices and women's right.

Rural women often have unequal access to land and other productive assets needed for income, food and well-being. This can open the door to additional forms of discrimination and even violence.

Laws and legal practices must uphold women's equal rights to land, and women should be equally represented in all collective decision on using land and natural resources. Rural women also must be able to acquire skills, finance and technology to make the best use of productive assets.

Mirjana Hemon moved to a rural area in Serbia in the hope that her husband's failing health would improve. Soon after, he passed away. In possession of orchards and land, she set up a local association of widows and started a business in rural agro-tourism as well as one to produce

preserve and tradition drinks using her own fruits and vegetables. Training and a grant from a programme to support gender equality helped her start her business and make it a success.

The 15th of October every year marks the International Day of Rural Women. That the International Food Day, and the International Day for the Education of Poverty immediately follow on the 16th and 17th of October respectively underscores the crucial economic role of rural women. The role women play in Indian rural economic deserves greater public understanding that it gets. Public awareness of the economic contribution these women make is limited to anecdotes that frequently misguide. For instance, tea picking is one major economic activity where rural women are anecdotally recognised as crucial players. Choosing the right leaves to pick in a tea shrub requires judgment and women are said to have required patience and observation for the job.

Thus the women's play a very important role in rural development.

// शास्त्रों विष्णुसाक्षाती स्त्री पुरुष सम्मानना //

डॉ. वाढ्यासह्ये बाबेक ने कहा है जिस समाज में स्त्रीया भागे होती है, वो समाज भागे बढ़ता है। जिस समाज या देशमें औरतोंकी प्रगती होती है। उस समाज और देश की प्रगती होती है। इसके विपरित जहा औरतों का सम्मान नहीं होता या उन्हें भागे बढ़नेका अवसर नहीं मिलता वो समाज और देश अपने विनाश की ओर बढ़ता है। ऐसा हमारे पुरानों में भी कहा गया है।

यथा नार्यस्तु पूज्यन्ते रमन्ते सत देवताः ।

यथौतास्तु न पूज्यन्ते सर्वास्तात्पलाः । क्रियाः ॥

अर्थान्तः जिस कुल में नारियों की पूजा, अर्थात् सत्कार होता है; उस कुल में विष्णुगुण, विष्णु भोग और उत्तम संतान होते हैं और जिस कुल में स्त्रियों की पूजा नहीं होती, वहां जानी उनकी सब क्रिया निष्फल है।

इसलिए हमें स्त्रियोंका सम्मान करना चाहिए और उन्हें भागे बढ़नेका अवसर प्रदान करना चाहिए क्योंकि यही हमें विकास और लेजाएगा।

इतिहास ही या वर्तमान जहा औरतों को अपनी काबिलियत दिखानेका मौका मिला है, वहां विकास के द्वार खुले हैं। इतिहास में भी जब ग्रेट ब्रिटनकी गद्दीपर एक महिला शासिका ने राज किया तब ब्रिटनकी क्वालिटी पुरे जहान में फैल गयी। ब्रिटनने भारत समेत कई देशोंपर राजकीया था। भारतमेंभी जब जब इतिहास पर महिला शासिका बैठतीं तब उसने कमाल कर दिया। हमारे इतिहास में ऐसे कई आदरण हैं। जैसे सद्रमादेवी, राजी कुर्गावती, बजीयासुलतान, चौदवीवी, वेगम भोंपा ओपाल, झांसीकी राजी लक्ष्मीबाई, जैसी महान, बुद्धिमत्त, बहादुर राजीयोंने राजकीया और उनके राज्यमें कई सुधारणा हुई और उनके सब उनके राजका विकास हुआ था। और ये विकास सिर्फ, आर्थिक औरपर नहीं चलनी उसके साथ साथ सामाजिक राजकीय औरपर भी हुआ था।

महिलाओं ने इसके साथ साथ धर्म, विज्ञान, राज्यक्रियकर्म और समाज सुधारणा, शिक्षा के क्षेत्रों में महत्वपूर्ण योगदान दिए हैं।

भाजपा जिन देशों में महिलाओं को बराबरी का स्थान मिला है, वो देश और समाज विकास के रास्ते सबसे आगे होता है।

श्री. केलीये पाश्चिमी देश जहां महिलाओं को बराबरी का स्थान दिया जाता है। भाजपा वो देश सबसे ज्यादा प्रगाढ़ है। अमेरिका, जपान, दक्षिण कोरिया, जर्मनी, फ्रान्स, रूसिया, ऑस्ट्रेलिया, चीन जैसे देश जहां औरतों को बराबरी का स्थान मिला है, और आगे बढ़ने का कदम प्राप्त हुआ है। वह सारे देश भाजपा समर्थ, समर्थ, शक्तिशाली और विकसित है।

इसलिए जब भारत देश आजाद हुआ और संविधान की निर्माता हुई तब खास तौर पर महिलाओं के लिए और उनके विकास के गति को बढ़ाने के लिए और औरतों को बराबरी का स्थान देने के लिए राष्ट्रपति ने विशेष अजुद्ध बनाए गए जिनसे महिलाओं के विकास को गति मिले जा सके और साथ ही हमारे भारत देश का और हमारे समाज का विकास हो।

इन अजुद्धों की वजह से अब हमारे देश में कजुनी तौर पर महिलाओं को बराबरी का स्थान मिला है। और महिलाओं को कही क्षेत्रों में बड़ी कामयाबी हासिल की है। हमारे देश की पहली महिला प्रधानमंत्री इंदिरा गांधी 1966 में बनी थी और हमारे देश की पहली राष्ट्रपति महिला प्रतिभा पाटील बनी इसीलिए साथ पहली मायपी: एस ओपीसर किरण बंदी थी भारत की पहली डॉक्टर महिला आनखिंदी जोशी थी, भारत की पहली विज्ञानीक असीमा चटर्जी थी।

इससे प्रेरणा लेकर हमारे देश की अनेकों महिलाओं ने अनेकों क्षेत्रों में अपना और देश का नाम रोशन किया है।

ROLE OF WOMEN IN AGRICULTURE

India is celebrating and commemorating the progressive 75 years of India after Independence with 'Azaadi Ka Amrit Mahotsav' and promulgating mission of warranting women as "Empowered women - Empowered Nation". Women are extensively engaged in the activities pertaining to agriculture and allied sector. The workforce participation rate for rural females is significantly higher at 41.8 percent against urban women participation rate of 35.31 percent (MoSPI, 2017). Since Independence, several government flagships schemes and programmes are initiated to improve rural women stature in society by creating livelihood opportunities and engagements in paid employment. Various schemes such as Prime Minister's Employment Generation Programme (PMEGP), National Livelihoods Mission, Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Beti Bachao Beti Padhao, etc. has made significant contributions in creating gender parity and socio-economic empowerment of women in India. Now, rural women have availing access to education, capacity building, skill development, and diversified livelihood opportunities through government beneficiary schemes.

In rural communities, agriculture and allied sector is the primary source of livelihood that includes 80% of all economically active women, out of which 33% constitute agricultural labour force and 48% are self-employed farmers. It is projected that women-oriented reforms, ensuring equal access to resources, skill development and opportunities in agriculture would increase agricultural output in developing countries between 2.5% to 4% (FAO, 2011).

The participation of rural women in work-force can be encouraged by providing safety, security, good health, education and equal rights. India has taken a significant initiative in extending banking outreach to rural areas. The financial accessibility measures have ensured transparent mode of transaction and timely access to financial services through direct bank benefits transfer (DBT) facility provided under various Government of India schemes. Over 7 years of the implementation of this scheme, 43.04 crore are opened in the country. Further, this constitute 55.47% (23.87 crore) women account holders and 66.69% (28.70 crore) are Jan Dhan accounts in rural and semi-urban areas (Ministry of Finance, 2021). This financial inclusion has helped rural population to fight the crisis during COVID-19 pandemic outbreak with uninterrupted access to financial aid. Over 9 crore women have benefitted

jointly from Mudra and Stand-Up India (Ashish Kumar, 2019).

Towards Millennium Development Goals @ 2030:

India's performance has improved from 0.665 in 2018 to 0.668 in 2020 (Global Gender Gap Index Report 2020). Initiatives for mainstreaming women participation in economic activities could work as catalyst in achieving goals as set under United Nation's Sustainable Development Goals.

Promotion of gender equality and access to government schemes/programmes will encourage women participation in agriculture sector.

This will help in alleviating extreme poverty and hunger and support in improving the country's economy. Further, adequate investment in pro-rural women schemes and more community level participation will expedite the empowerment in a mission mode for better future prospectus. Skill development and access to education, healthcare and digital ecosystem can play a significant role in lives of rural women. Proper training and capacity building on new agricultural technologies can help women farmer.

Rural women are major stakeholders in growth of agricultural sector for the NEW INDIA. Acknowledging and mainstreaming of rural women via ensured access to

resources, technology, education, health facilities, ownership rights and skill development will improve agriculture productivity and help in building an empowered nation.

WOMEN DEVELOPMENT CELL

Objectives of Women's Development Cell:

- To emphasise the value of hygiene and good health.
- To clarify women's place in society.
- To create a multidisciplinary strategy for the development of the whole person.
- To plan seminars and workshops focused on the advancement of women.
- To protect female students and members of the College's teaching and non-teaching staff from sexual harassment and to advance their general well-being.
- To develop the self-confidence of Women.
- To guide about Women's Welfare Laws.

Mission:

- To inspire female students to be economically and self-reliant.
- Raising students' understanding of women's social, legal, and constitutional rights in order to stop gender-based exploitation.
- Educating women about the various forms of violence—sexual, physical, and mental—and giving them the skills and determination to combat them.
- Spreading the word about the need of gender equality.
- Dismantling ingrained prejudice and discrimination against women.

In context:

In order to create a gender-sensitive environment within the university, the University of Mumbai established the "University Women Development Cell (UWDC)" in 2001. The University also ordered the establishment of a "Women Development Cell" at the college level in each of its associated institutions. The

Women Development Cell of Sonopant Dandekar College Palghar was created under the capable leadership of Prof. Mrs. Velapure in accordance with these University directions.

The Cell seeks to establish a gender-sensitive community on campus and in the community at large. It includes both teaching faculty and non-teaching professors from the college.

For the advancement of women and to educate society about the value of gender equality and gender sensitivity, it has organised a variety of academic, cultural, and social activities.

The Department of WDC is located on the ground floor of the main building on the college premises. WDC should have its own notice board where it may put posters about gender equality and women's empowerment.

Subject – Letter of Appreciation

Dear Sir,

Thank you very much for delivering an informative and thought-provoking lecture as a Resource Person on “Various Government Scholarship and Schemes for womens under Social Welfare Dept. of Palghar” held on 6th April 2023, at Late Ganesh Nilkanth Dandekar seminar hall, BMS building, SDSM College, Palghar.

It was a really splendid presentation which exposed students to field practices. All the students appreciated and got benefited from your views on the Topic.

Looking forward to your cooperation in future as well.

Dr Kiran Save
